

We'd love to hear from you!

How can we help you?

Hi, It's Amanda. How can I help you today?

Hi, How do I download the Bookwalker app?

Hi, are you there?

Hi, Victoria, please visit our website and click the Join Now button.

I did that already--it signs me up for your newsletter, which is great, but I'm also interested in the app mentioned in your most recent email.

Thank you. Yes, the email has the link to the web app.

The link goes to a quiz that mentions the app but doesn't provide a download option. Do I have to buy the PR campaign in order to get access to the app?

No, you don't need to purchase anything. The web app is for our readers. What genre/type of books are you interested in?

Fantasy, sci-fi, mysteries, thrillers.

Fantastic! We cater to Sci-Fi and Thrillers. Thank you. How many books do you read a year?

Maybe around 100? I don't actually keep track :-)

:)! Oh my! 100/year? You're a fast reader! Mind if I ask you a few questions? What's the latest book you've read?

Ordinary Monsters by JM Miro

Interesting choice! Do you recommend it? I have not read it . I'll forward a note to our R&D about the link (web app) you should have it in your inbox.

Are you interested in Historical Fiction too?

My email is beware@sfga.org (for the app link)

Great!

Are you getting emails from us?

Do you read historical fiction books too?

I just signed up. A friend sent me theirs, that's how I found out about you.

Yes, I love historical fiction

Great! Mind if I include historical fiction as one of your fave reads too?

That would be great.

Thank you!

Is there anything else I can help you with, today?

Not right now! Hopefully I'll get a link to the web app soon? Along with the newsletter.

Thank you. Please feel free to reach out if you have any question.
